

Doctoral students must complete the written dissertation and the dissertation defense (oral examination) to be eligible for graduation. This form may be used to indicate approval of one or both of these items. If the defense is approved but not the dissertation, a separate Degree Completion Status form must be completed and submitted when the revised dissertation is approved by all committee members. The personal signature of each committee member is required on all forms.

STUDENT INFORMATION

CGU ID# 254 - _____

Last Name _____ First Name _____ Middle _____

Department/Program _____ Degree _____

I understand that I must submit my Intent to Receive a Degree form by the deadline published in the [Academic Calendar](#) for the semester in which I expect to graduate, or I will not be placed on a preliminary degree list and I may not be eligible for graduation.

Student Signature _____ Date _____

APPROVAL OF COMMITTEE MEMBERS - SIGNATURES REQUIRED

By the individual signatures below, the committee signifies the student's degree completion status indicated below. We understand that if the student has been requested to make revisions to the dissertation, a separate Degree Completion Status Form must be signed by all members at the time the revised dissertation is approved.

Choose One:

- Defense Approved
- Defense Not Approved
- Defense Previously Approved

Choose One:

- Dissertation Approved
- Dissertation Requires Revisions - dissertation approval to be submitted separately
