Connecting to eduroam on iOS devices

1. Go to “Settings” for your device.
2. Tap the “Wi-Fi” setting to bring up a list of wifi networks.
3. Tap the eduroam network.

4. You will be prompted for a username and password. Enter your CGU email address and your password and tap “Join”.

5. You will be prompted to allow a certificate to be trusted on your device. Tap “Trust” to continue.
6. You will now be connected to the eduroam SSID.
